

Patty Cordero has been a Field Account Manager within Major and Key Accounts for 6 years. She comes to UnitedHealthcare with 20 years of insurance experience, specializing in Employee Benefits. She has experience as an Account Manager for a local brokerage firm, was a Provider Claims Examiner from another local Healthcare Company, and was General Manager and Benefits Advocate for an international health insurance company and TPA.

Patty also has experience from the Human Resources side working at the University of Miami, giving her the knowledge of knowing what the client's expectations and needs are. We believe she has the experience needed to manage our accounts. Patty is a huge baseball fan and lover of dogs and birds.
